

## **Binational Committee Overview**

### **Security**

The Security Committee promotes the collaboration of key security issues such as information sharing, technology and personnel with the common goal of preparedness, security and the smooth and continued flow of goods, services and people.

### **Summary of Top Action Plans/Priority Projects**

#### **Goal: Binational Training, Identification, and Execution**

- a) Continuing the robust partnership between Arizona and Sonora leading to an increase in the effectiveness and efficiency of public safety officers.

- **Action Steps:**

- Trainings identified for completion by the June Plenary Session:
  - Vehicle Traffic & High Risk Stops Training
  - Vehicle Theft training (Basic)

#### **Goal: Binational Information Exchange**

- a) Both states benefit from an increased resiliency and smoother communications of the latest information available.

- **Action Steps:**

- Items identified as key for enhancing and improving current information exchange capabilities:
  - Development of a statistics report covering achievements in the Megaregion.

#### **Goal: Conduct Joint Operations between both Sonora and Arizona State Law Enforcement agencies**

- a) Both states benefit from an increased resiliency and a reduction of criminal incidents against property and people.

- **Action Steps:**

- Perform joint operations on both sides of the border.
